

**TOWN OF DAMARISCOTTA  
SOLID WASTE ORDINANCE**

**RULES AND REGULATIONS**

**EFFECTIVE FEB 1, 2001**

**FOR COMMERCIAL SOLID WASTE HAULERS DISPOSING BUSINESS WASTE, GENERATED IN THE TOWN OF DAMARISCOTTA, AT THE N/J STATION.**

**COMMERCIAL HAULERS or BUSINESS VEHICLE LICENSE:**

**Any Commercial Solid Waste hauler or any individual business owner using company vehicles to collect and transport business solid waste, generated in Damariscotta, must be licensed by the Town of Damariscotta.**

**IDENTIFICATION OF AUTHORIZED LICENSED VEHICLES.**

**ALL VEHICLES used to haul said business waste, will be issued a solid waste sticker, from Damariscotta, which will identify that the vehicle is allowed to conduct such activities in Damariscotta. The sticker color will also indicate when the vehicle can dispose of business solid waste.**

**STICKERS - must be clearly displayed on the vehicles passenger side door when entering the N/J Transfer Station so the attendants can identify that the vehicle is bringing in Damariscotta business solid waste.**

**GREEN - Indicates that the vehicle delivering business solid waste is licensed by the Town of Damariscotta as a Commercial Solid Waste Collector or a business which has been licensed to collect it's business solid waste using a specific business vehicle. With this sticker, the vehicle will be allowed to dispose of business solid waste to the N/J Station only on certain days as specified by the Transfer Station**

**ORANGE & GREEN**

**Indicates that a licensed vehicle has permission from Damariscotta and the Transfer Station manager to deliver business solid waste, such as restaurant food waste or large volumes of waste from individual businesses, such as, campgrounds or hospital waste, on regular Transfer Station business days.**

## **DELIVERY DATES FOR ACCEPTANCE OF BUSINESS SOLID WASTE AT N/J STATION**

Damariscotta business solid waste will be accepted by the N/J Station during business hours on the following days:

**MONDAYS & THURSDAYS ONLY** for regular business waste.

**EXCEPTIONS:** Large volumes of waste, which may quickly spoil and potentially cause unsanitary conditions, such as, but not limited to, restaurant or other food waste and large volumes of waste generated by such businesses as campgrounds and hospitals, with prior approval of both Damariscotta and the N/J Transfer Station manager, will be allowed to dispose of such waste during regular transfer station business days, except Saturdays.

**HOLIDAYS:** When a Monday or Thursday is a holiday when the station is closed, the load hauler will not be able to delivery on these. The Transfer Station manager will be able to provide the haulers with a list of the station holidays.

## **NON- MIXING OF BUSINESS AND RESIDENTIAL SOLID WASTE**

Residential and Commercial solid waste will not be mixed and shall be delivered separately to the Transfer Station.

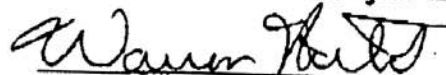

## **WEIGH SCALES AND WEIGHT SLIPS**

All vehicles must be weighed. The driver of each vehicle is required to sign each weight slip.

## **QUESTIONS CONCERNING THESE RULES:**

The N/J Transfer Station and it's personnel have agreed to assist Damariscotta with the process of implementing Damariscotta's Solid Waste Ordinance. The Transfer Station personnel have no control over this process. All questions or comments concerning the meaning or interpretation of these rules and regulations or the Damariscotta Solid Waste Ordinance shall be directed to the Damariscotta Town Administrator at the Damariscotta Town Office or 563-5168

**VIOLATIONS:** Any violations of these rules and regulations shall be considered to be a violation of the Damariscotta Solid Waste Ordinance and will be subject to the penalties allowed by the Ordinance.
